

Pilaros

Why Pilaros?

IT'S NOT A TREND, IT'S A TRADITION!
BIEN PLUS QU'UNE MARQUE, UNE TRADITION !

Pilaros is the leading importer of Greek products in North America. From coast to coast, Pilaros supplies several major supermarket chains, distributors and ethnic stores with the best olives and olive oil in the market.

For the past 40 years, Pilaros has built a remarkable reputation of reliability, commitment and high quality.

How? By making certain that all its products undergo rigorous controls before reaching shelves in North America and around the world. Pilaros carefully monitors each stage of production, therefore allowing it to offer a standard of quality that will satisfy its company's pride.

Pilaros est le principal importateur de produits grecs en Amérique du Nord. D'un océan à l'autre, Pilaros approvisionne plusieurs grandes chaînes de supermarchés, distributeurs et magasins ethniques avec les meilleures olives et huiles d'olive du marché.

Au cours des 40 dernières années, Pilaros s'est bâti une remarquable réputation de fiabilité, d'engagement et de haute qualité. Comment ? En s'assurant que tous ses produits sont soumis à des contrôles rigoureux avant d'arriver sur les tablettes en Amérique du Nord et dans le monde entier. Pilaros surveille attentivement chaque étape de la production, ce qui lui permet d'offrir un standard de qualité qui satisfera la fierté de son entreprise.
